

ROOT BUSTER The Ultimate Debris Clearing Blade for Vac Trucks

Vac Truck Flush Work Is Slow.
With Root Buster, you can clear the
pipe in seconds, not minutes.

Attach. Spin. Flush. Done.

WHAT IT DOES:

Attaches to your hydraulic motor.
Spins inside the pipe.
Physically tears through roots, grease, & sludge before you blast water.

- ✓ Faster flush jobs
- ✓ Clog-free nozzles

SIZES

5" Diameter & above
Universal center-drilled hole
fits all standard hydraulic
motor shafts on trucks.

- ✓ Aggressive tooth design
- ✓ Heavy-duty construction
- ✓ Custom sizing available

TESTED & PROVEN

Field-tested on active vac trucks.

- ✓ Reduces flush work time
- ✓ Universal hydraulic fit
- ✓ Reduced water waste
- ✓ Sustainable approach

Don't let tough debris slow down your flush crews. Get the Root Buster today, or contact us for a custom quote on bulk fleet orders.
